

INDEX TO GATEWAYS (04, /2017)

If you want a Gateway, look in the “Index to Gateways” to find what you want.

Check the bold number on the left side of the page. Go to the shelves to find that number which will be underneath the pile that you want. Take as many or few copies as you wish. If you find you don't want what you have selected, then place the unwanted Gateways *in the basket for some one to reshelve. Please do not reshelve them yourself.* Thank you.
